

DURACELL®

MY POCKET CHARGER

**Stay connected,
more talk,
more texting,
and more tunes!**

Charge it! Now you can power all your mobile devices

Whether you're talking about powering a BlackBerry® or your new iPhone®, it always seems like a power outlet is nowhere to be found. The Duracell® My Pocket Charger is easy to use and provides on-the-go charging when you need it most. The package comes with Mini, Micro, and iPhone USB connectors to keep you connected with all of your mobile devices. Get up to thirty-six hours of talk time on your cell phone, over twenty-four hours of music on your iPod®, keep texting and sending email messages to your family and friends.

Stay connected by inserting the connector to your charger, plug in your mobile device and a blue light will illuminate. This compact and reusable charger is so easy to use, when the batteries are drained just simply replace them.
